

WHITE-PEACH-ICED-TEA

Passionate tea lovers can still enjoy their favourite drink in the summer. This white peach iced tea has the typical taste of tea, but it also has a fruity note and absolutely no added sugar! Are you in the mood for iced tea? Then you must try this recipe!

INGREDIENTS

For 1 L:

- 2 peaches
- 2 bags of white tea
- 1 lemon
- 1 stalk of rosemary
- 1 L hot water

PREPARATION

Prepare 1 litre of white tea according to the packaging. Put it in the SUND glass carafe and let it cool down. Puree one peach, squeeze half of the lemon and add it all to the tea. Cut the other half of the lemon and the second peach into slices and stick them alternately on the fruit skewer. Add the rosemary to the tea and let sit for a couple of hours. Serve it with ice cubes. If you want to enjoy your iced tea on the go, fill it in the DREE drinking bottle!
